Career Objective

Enthusiastic and detail-oriented Web Developer with hands-on experience in designing and developing user-friendly and responsive websites. Currently completing a 6-month internship at Kreativan Technologies, contributing to the development of the company's website. Seeking an opportunity to leverage my skills in a dynamic organization to contribute to impactful web solutions.

Skills

- **Frontend Technologies:** HTML, CSS, Bootstrap, Tailwind CSS, JavaScript
- **Frameworks and Libraries:** React.js, Next.js, React Router, React Redux, React Query
- **Content Writing:** Experience in creating engaging and SEO-friendly content

Professional Experience

Web Developer Intern
Kreativan Technologies | July 2024 – Present

- Collaborating with the team to develop and enhance the company's website.

- Utilizing modern frameworks like React.js and Next.js to implement dynamic features.

- Writing clean, modular, and maintainable code to ensure scalability and performance.

Projects

- **Blood Bank Management System**: Designed and implemented a system to manage donor and recipient data efficiently.
- **Country API Project**: Developed a project leveraging REST APIs to display country information dynamically.
- **Food Website**: Created an engaging website for a food delivery service.
- **Company's Website**: Actively contributing to the development of Kreativan Technologies' official website.

Education

Master of Computer Applications (MCA)
Sri Sai University, Palampur | 2024 | CGPA: 8.40

Activities

- Completed a 45-day internship at Pluto Tourism, Dharamshala.

- Participated in school volleyball tournaments, showcasing teamwork and leadership skills.

- Presented a live project, *Laser Home Security System*, during the Engineering Day competition at Sri Sai University.
